The two sportsmen Dinu Vlad and Tămaş Ciprian made the trip this year to the International Policeman and Firefighters Games held in Orlando USA between the 16<sup>th</sup> and the 23<sup>rd</sup> of August 2008. This competition brought together policemen and firefighters from all corners of the globe to compete in team sports (Baseball, Basketball, Football, Volleyball) as well as in individual sports (Athletics, Swimming, Judo, Weightlifting, Tennis, Sharp shooting, etc.).

Dinu Vlad's best result came in form of a silver medal at the cross country competition (5 km.) for the 30-34 years category. He also was granted a faire play medal for his behavior at the Sharp shooting competitions.

Tămaş Ciprian's efforts concluded in two bronze medals for weightlifting. Ciprian participated at the Genoflexion – 275 pounds (125 kg), bench press – 300pounds (136.3 kg) and weightlifting – 450 pounds (204.5 kg) competitions. The medals were awarded by summing the results of all of the weightlifting competitions.

We had the opportunity to meet with Loghin Cătălin, a Romanian settled in Boston, who was a guide for us at the Yosemite and Joshua Tree National Park and the Grand Canyon...

### **Thanks:**

*We would like to use this opportunity to thank our sponsors, the Tera Social Foundation and Asirom, who helped us to participate at this international competition.*

The next International Policeman and Firefighters Games will take place in Canada in 2009, where we hope to compete with good results as well.
